

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

Bees play a vital role in growing the food we eat. As they move from flower to flower, they carry pollen that helps plants make fruit and seeds. Without bees, many crops would fail. Farmers and scientists are working to protect these important insects from pollution and disease. Planting wildflowers can help bees thrive.

- 1) Explain what do bees carry between \_\_\_\_\_?
- 2) Explain what can people plant to help bees \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

The community garden sits at the edge of our neighborhood. Neighbors share tools and trade seeds throughout the growing season. Older residents teach younger ones how to plant and harvest vegetables. The fresh produce is shared among the families who help. Working together in the garden builds strong friendships.

- 1) Explain what do the neighbors share and trade in the \_\_\_\_\_?
- 2) Describe who teaches the younger residents to \_\_\_\_\_?
- 3) Explain what is shared among the helping \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

The library is the heart of our small town. People of all ages borrow books, use computers, and attend free classes there. On Saturdays, a storyteller reads to young children in the reading room. Volunteers help newcomers learn to read and write. The library welcomes everyone who wants to learn.

- 1) Explain what can people borrow from the \_\_\_\_\_?
- 2) Describe who reads to the children on \_\_\_\_\_?
- 3) Explain what do volunteers help newcomers learn to \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

The old market square has stood in the center of the city for hundreds of years. Farmers still bring fresh vegetables and cheese to sell each week. Tourists admire the stone buildings and the ringing clock tower. Local shops keep the traditions of skilled craftsmen alive. The square remains a lively meeting place.

- 1) Explain what do the farmers bring to \_\_\_\_\_?
- 2) Explain what do tourists admire in the \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

Volunteers spend their weekends cleaning the local beach. They collect plastic bottles, cans, and other litter left behind by visitors. The rubbish can harm sea birds and turtles that live nearby. After the cleanup, the sand is safe and the water looks clear again. Many people join to keep the coast beautiful.

- 1) Explain what do the volunteers clean on the \_\_\_\_\_?
  
- 2) Explain what animals can the rubbish \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

Rivers provide fresh water for towns, farms, and wildlife. When factories dump waste into the water, fish and plants can die. Clean rivers support many kinds of life and give people places to swim and fish. Communities are now working to remove pollution and restore the banks. Protecting rivers protects us all.

- 1) Explain what do rivers provide for towns and \_\_\_\_\_?
  
- 2) Explain what can harm the fish when factories dump it in the \_\_\_\_\_?
  
- 3) Explain what are communities working to \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

Every spring, our town holds a flower festival in the main square. Volunteers plant thousands of tulips along the streets. Families come from nearby villages to enjoy the colorful display. Local musicians play cheerful songs, and children sell homemade lemonade. The festival brings the whole community together for a joyful weekend.

- 1) Explain what flowers do the volunteers \_\_\_\_\_?
- 2) In which season is the \_\_\_\_\_?
- 3) Describe who plays cheerful songs at the \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

Planting trees along city streets brings many benefits to the community. The leaves provide shade that keeps the pavement cool in summer. Trees also clean the air and give birds a place to nest. Neighbors often gather to care for the young saplings. A street lined with trees feels calm and welcoming.

- 1) Explain what do the leaves provide on hot \_\_\_\_\_?
- 2) Explain what do trees give birds a place to \_\_\_\_\_?
- 3) Explain what do trees clean besides giving \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice

*Complete each exercise and write your answers clearly.*

**Read the passage and then answer the questions.**

Recycling helps protect our environment for future generations. When we sort paper, glass, and plastic, less waste ends up in landfills. Many cities now provide colored bins to make sorting easier. Recycled materials can be turned into new products, saving energy and natural resources. Small habits at home can make a big difference.

- 1) Explain what are three materials we should \_\_\_\_\_?
  
- 2) Explain what do cities provide to make sorting \_\_\_\_\_?

## Section 6. Question &amp; Answer Practice
